Smile Brands, Inc.

Booth 1

Type: Dental support organization

Description: At Smile Brands and its Affiliated Dental Offices, we relieve you of the burdens associated with a traditional private practice, so you can focus on what you do best: providing excellent Orthodontic care to your patients. With all the administrative work handled for you, you won't have to stay late or worry about the financial burdens of running a private practice. We have a very robust Orthodontic program with built-in referrals so you won't have to compete with other specialists or spend time marketing yourself to dentists or patients. At Smile Brands our overall Google rating in many of our dental practices is "4.4" Stars. We will always continue to improve the patient experience. We are also proud to announce that Smile Brands won the Glassdoor Employees Choice award, honoring us as one of the BEST places to work in the Nation for 2017, 2018 and 2019.

Available opportunities: Full and part-time associates/independent contractors (Multiple locations)

Smile Doctors Braces

Booth 2

Type: Dental support organization

Description: Smile Doctors Braces is the largest orthodontic dental support organization with over 150 affiliated practices in ten states. Headquartered in Georgetown, TX, and founded by Dr. Scott Law, Scotte Hudsmith, and Dr. Dana Fender, Smile Doctors focuses exclusively on developing and growing affiliated orthodontic practices. Orthodontists can focus on patient care while receiving the support of experienced professionals who are committed to the growth and success of their practices. Support provided by Smile Doctors includes services related to operations, accounting, marketing, revenue cycle management, and human resources.

Available opportunities: Full and part-time associates/independent contractors (Multiple locations)

Practices for sale (Multiple locations)

Kristo Orthodontic Specialists

Booth 3

Type: Mixed orthodontic group practice

Description: At Kristo Orthodontics and now Smiles in Motion, we are dedicated to offering the highest-quality orthodontic and pediatric care to create beautiful smiles that enhance self-esteem, self-confidence and overall dental health in 21 clinic locations in 18 markets. Our experienced team of doctors and staff is committed to superior customer service and individualized care in a family-friendly atmosphere that is enjoyable, caring, and fun. We strive to improve orthodontic and pediatric care by utilizing the latest technology available, and by recruiting and retaining the best providers and staff that meet our high standards.

Available opportunities: Full and part-time associates (Wisconsin)

Kids Care Dental & Orthodontics

Booth 4

Type: Dental support organization

Description: Kids Care Dental & Orthodontics is a northern California based practice that offers comprehensive services including preventive dental care, orthodontics and oral surgery for every gap-toothed, mischievous, silly, giggly smile. We believe when kids grow up enjoying the dentist, healthy teeth and gums will follow. So we've set up a different kind of dental practice that delivers fun, not fear. As the key driver of our mission—to give every kid a healthy smile—our orthodontists exhibit a genuine love of children and teeth. A good fit for our culture means you are also honest, playful, lighthearted, approachable, hardworking, and compassionate. You will work with an experienced practice management staff and have the opportunity to collaborate and share insight with other doctors across the company. We value and reimburse continuing education—our doctors remain current on leading technologies and emerging practices.

Available opportunities: Full and part-time associates (California)

Dental Care Alliance

Booth 5

Type: Dental support organization

Description: As one of the country's largest dental support organizations, we have more than 320 affiliated dental practices in 22 states. Dental Care Alliance is a ground-breaking dental support organization created by dentists, and focused on improving the well-being of both patients and dentists. Our proven model continues to evolve and has stood the test of time. We take great pride in successfully supporting more than 600 dentists in over 320 practices in 22 states. Let's talk about how we can work to help you achieve the next critical step in your career, no matter what that may be. DCA is always looking for qualified specialists to join our supported practices. For those who qualify, we offer attractive benefits such as flexible working hours, access to advanced tools and technology, backup from well-qualified support staff and access to the steady patient flow of an existing and growing patient base.
